

# GIN OF THE MONTH

At South Place Hotel, Our Gin is Your Tonic

Behind our bar, we've a selection of 40 different gins, and a menu of pairings as recommended by Nathan, our Executive Bars Manager and in-house gin expert.

Every gin on our list has its own story and every month we will select one to honour as our "Gin of the Month".

## JULY

Kyrö Napue Gin  
*Fever-Tree Indian Tonic*  
£9

Heralding from Finland, the Kyrö Distillery are meticulous with their techniques, even if it means doing everything the hard way.

Their Napue gin uses only 100% whole-grain rye and features hand-foraged botanicals including notes of meadowsweet, sea-buckthorn and cranberries. Resulting in a gin that is crisp and refreshing.
