The Minuty Story

Château Minuty is from the gulf of Saint-Tropez,
and is one of the primary producers of Côtes de
Provence wine, creating top-of-the-range rosés full
of the tastes and aromas of Provence. The vineyard
has been owned by the Matton-Farnet family
for over 80 years.

South Place Hotel has partnered with Minuty
to bring a flavour of the South of France
to the heart of the City.

So enjoy Minuty's 2019 limited edition bottle,
adorned with English artist Ruby Taylor's
interpretation of Saint-Tropez, to make you
feel like you're in the French Riviera.
