Large white umbrellas provide shade over the seating areas. The terrace is bordered by a low glass railing, and various potted plants and trees are scattered throughout. BLOODY BRILLIANT

Grace Dent, ES

A woman with dark hair, wearing a vibrant red sleeveless dress with gold floral embroidery, is focused on her DJing. She is positioned behind a DJ setup that includes two Technica turntables with yellow vinyl records and a central Pioneer mixer. Her hands are on the turntables and mixer controls. The background shows a modern living room with a grey stone fireplace and shelves filled with books and decorative items. A person in a dark jacket is partially visible in the background, holding a drink. The overall atmosphere is intimate and stylish.

A photograph featuring two individuals. On the left, a person with short dark hair, a black headband with a sequined pattern, and a small black dot on their cheek looks towards the camera. They are wearing a coat with a thick purple fur collar and a sleeve with a colorful floral and leopard print design. On the right, another person is partially visible, wearing a black hat and a black shirt with white polka dots, making a peace sign with their right hand. A gold bracelet is visible on their wrist. The background is dark and out of focus.
